

Greene Co.

Miss Rain Day walks for Alzheimer's research

Friday, July 26, 2013

Kendall Lewis, Miss Rain Day 2012, is close to reaching her goal of \$2,000 from her service project, Walk with Miss Rain Day and the Rain Day Girls to End Alzheimer's. Here, Lewis presents a check for nearly \$1,900 to Jennifer Faddis, volunteer walk coordinator for Greene County. Lewis is familiar with the disease as her grandmother, Pat, suffers from Alzheimer's. There were 47 walkers who participated in the July 13 event and donations are still being accepted and Forget Me Nots are still available. The Greene County Walk to End Alzheimer's will be held Sept. 7 at Wana B Park. For more information call Faddis at 724-710-0327 or Lewis at 724-880-6981 if you would like to participate on "Team Lewis" in September.
